We are showing many swagger models at tomorrow's price.

Among them are belted model coats in full flare effects, finished with large collars, which can be buttoned close about the throat for cold weather.

The materials are long-haired zibelines, mixtures, plaids and tweeds.

The colors are brown, navy, taupe, green and black.

New and novel combinations of color, such as Burgundy, with dark tan collar and cuffs beautifully head embroidered. Many have the patch pockets, which are usually embroidered or braided trimmed. Some of the satins are ornamented with the colored Russian embroidery on belt, waist and pockets.
